SUCCESS ASSURED

Opinion by Justice Hanna. State Fair to Be One of Most Enjoyable Features of Next Week's Galeties,

There isn't going to be any question s on Fo. Sept. 22 -An opinion by about the Rospitality ball being a suc-big guns of both parties who will be ference of about sixty union leaders action was one for mandamus here to hear the big noise when the late today The action was one for mandamus are in the big noise when the parties are the county treasurer of Sin Mignel county to compel him to receive a countin sum of money tendered and chained by relators to be sufficient to redem certain lands from the parties are the previously made for deins and previously made for deins.

of redemption therefor. A demurrer to the betilion for the writ was interposed on the ground that the petition did not state sufficient facts to constitute a cause of action in that it showed spon its face that proper and legal tenier was made to the respondent and demirrer was overruled and respondent declining to plead further, the writ was issued from which judgment the appeal was prosecuted.

The syllanos of the court says that the syllanos of the court says the fair will depend upon this ball. Everybody worth while will be there. The syllabor of the court says chapter 18, Lows of 1815, construed, with that. The owner of property may redeem the same from a tax sale within three years from the date of the certificate by passing the amount pand at such sale with interest at the rate of 1 per cent per mouth, tegether with any never pand must never been paid mour the property by the purchaser of the tax certificate, with interest at the same rate. For the appears of the tax certificate, with interest at the same rate. For the appears that a per construction of Labor, amounted the determination to call the same rate. For the appears that neighbork spirit."
